

Banner Design Contest 2019

It's that time of year again!! You are invited to create an original **vertical-oriented** and coloured design! This year entries should showcase a winter theme that celebrates our village and reflects the winter season. Try and fill the entire space with your drawing.

Originality and use of color are important considerations when designing your submission, as is how easily your design can be viewed and recognized from long distances and heights.

Please return your completed entry to your teacher or drop it off at King's Your Independent Grocer **before Friday October 25th at 6:00 pm.**

If your design is one of the chosen ones, you and your family will be invited to paint your winning creation on the final **white** banner; this will take place at the Richmond Arena date TBA.

The Contest is open for all artists ages 4-12.
