

Banner Design Contest 2019

It's that time of year again!! We are looking for budding artists to enter the banner contest that will see select designs hang from the main streets of our town. The contest is open to children ages 3-12.

A few things to remember:

- Entries should showcase a winter theme using animals to celebrate our village;
- Try and fill the entire space with your drawing;
- The orientation of the banner will be vertical (as shown to the right); and
- The background colour of the banner this year will be BLUE (not white).

Originality and use of color are important when designing your banner. Judging will consider how easy your design can be viewed from long distances and heights.

Please return your completed entry to your teacher or drop it off at King's Your Independent Grocer before Friday, October 18th at 6:00 p.m.

Name: _____

Age: _____ Grade: _____

Email: _____

If your design is one of the chosen ones, you and your family will be invited to paint your winning creation on the final banner at the Richmond Arena at a later date.

Questions can be send to kristinequarrington@richmondvillage.ca
