

Banner Design Contest 2021

It's baaaack!! You are invited to create an original **portrait-oriented** and coloured design! This year entries should showcase a winter theme that celebrates our village and reflects the winter season. Try and fill the entire space with your drawing. Do not trace an image as we are looking for your own design!

Originality and use of color are important creating your drawing. How easy can your design be viewed and recognized from long distances and heights.

Please return your completed entry to your teacher or drop it off at King's Your Independent Grocer **before Monday, November 1st**

If your design is one of the chosen ones, you and your family will be invited to paint your winning creation on the final banner. This will take place at the Richmond Arena at future date.

The Contest is open for all artists ages 3-12. Any questions please email kristinequarrington@richmondvillage.ca
